

ManTech Selected for Defense Information Systems Agency ENCORE III Award

March 15, 2018

HERNDON, Va., March 15, 2018 (GLOBE NEWSWIRE) -- ManTech International Corporation (Nasdaq:MANT) has been named a prime contractor under the Defense Information Systems Agency (DISA) ENCORE III indefinite-delivery/indefinite-quantity (IDIQ) awards program.

Dan Keefe, ManTech

ManTech's leadership in end-to-end, full life cycle IT solutions is an important factor in ongoing IT modernization efforts across the U.S. government.

As the primary contract for information technology services used by the U.S. Department of Defense and many federal agencies, ENCORE III is critical to ongoing IT modernization efforts, and has a potential value of \$17.5 billion over the 10-year span of the program.

"ManTech's leadership in end-to-end, full life cycle IT solutions is an important factor in ongoing IT modernization efforts across the U.S. government," said Daniel J. Keefe, president and chief operating officer of ManTech's Mission Solutions & Services Group. "We look forward to expanding our role with an array of world class IT solutions that enhance customer missions for Defense, Intelligence and Federal Civilian customers."

As a key player in ENCORE III, ManTech will provide a range of IT solutions that leverage the company's proven experience in requirements analysis, test and evaluation, enterprise IT, software development and systems engineering, security engineering, operations support and IT support services.

About ManTech International Corporation

ManTech provides mission-focused technology solutions and services for U.S. defense, intelligence community and federal civilian agencies. Now in our 50th year, we excel in full-spectrum cyber, data collection & analytics, enterprise IT, systems and software engineering solutions that support national and homeland security.
