ManTech Selected for Demonstrating Commitment to Hiring, Training and Retaining Military Spouses

HERNDON, Va., May 10, 2019 (GLOBE NEWSWIRE) -- ManTech (Nasdaq: MANT) announced that it has been named a “Top Company for Military Spouses” by Monster.com, one of five companies so honored by the global employment firm in honor of Military Appreciation Month.

In selecting ManTech, Monster.com cited the company’s successful ManTech Military Spouse Program, which provides spouses with the same resources that are extended to transitioning military members, such as resume prep, interviewing skills, job skills translation for their industry, and direct access to the military recruiting team.

“For their sacrifice and dedication in serving our nation, veterans and their families deserve equal respect and commitment,” said Jeff Brody, ManTech’s Chief Human Resources Officer. “It is an honor to do our part, offering military members, veterans and their spouses career opportunities that build on their invaluable contribution to national security.”

ManTech’s recognition as a Top Company for Military Spouses follows its recent selection by Military Times as a “Best for Vets Employer – 2019.” For three years running, from 2016 to 2018, Monster.com has honored ManTech as the Number 1 Company for Veterans.
