ManTech Names H. Chris Goodrich Chief Operating Officer and Executive Vice President of Mission, Cyber & Intelligence Solutions Group

FAIRFAX, Va., Nov. 26, 2013 (GLOBE NEWSWIRE) -- ManTech International Corporation (Nasdaq:MANT) has named H. Christopher Goodrich chief operating officer and executive vice president of its Mission, Cyber & Intelligence Solutions (MCIS) Group, reporting to MCIS President L. William Varner. Chris will be responsible for managing the group's operations as its full-spectrum security solutions and cyber services continue to grow.

Chris previously served as the senior vice president of the MCIS SIGINT Solutions & Cyber Operations business unit, now the Cyber Solutions business unit, where he oversaw the expansion of the state-of-the-art Hanover, MD, Cyber Integration Center (CIC) to enhance a growing Maryland presence. Chris also provided successful oversight and operations support for AMBIANCE—a Department of Defense contract to provide full-spectrum system integration services that support its analytic modernization efforts.

"Chris's record for driving operational efficiency, mission focus, and quick, decisive action makes him a great asset to our team," said L. William Varner. "His success growing our Maryland presence and enhancing our CIC over the last 3 years is a testament to his commitment to mission success."

About ManTech International Corporation

ManTech is a leading provider of innovative technologies and solutions for mission-critical national security programs for the intelligence community; the Departments of Defense, State, Homeland Security, Energy, and Justice, including the Federal Bureau of Investigation (FBI); the health and space communities; and other U.S. federal government customers. We provide support to critical national security programs for approximately 50 federal agencies through approximately 1,000 current contracts. ManTech's expertise includes command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR) solutions and services; cyber security; global logistics support; information technology (IT) modernization and sustainment; intelligence/counter-intelligence solutions and support; systems engineering; test and evaluation; environmental, range and sustainability services; and healthcare analytics and IT. ManTech supports major national missions, such as military readiness and wellness, terrorist threat detection, information security and border protection. Additional information on ManTech can be found at www.mantech.com.
