IT IS IMPORTANT THAT THE ENCLOSED PROXY CARD BE COMPLETED AND RETURNED PROMPTLY
General

These proxy solicitation materials (the “Proxy Statement”) and the enclosed proxy cards (the “Proxy”) are being mailed in connection with the solicitation of proxies by the Board of Directors of ManTech International Corporation, a Delaware corporation (“ManTech” or the “Company”), for the 2003 Annual Meeting of Stockholders to be held on June 25, 2003 at 10:00 a.m. (EDT), and at any adjournment(s) or postponement(s) thereof (the “Annual Meeting”), at the Hyatt Regency Reston Town Center, 1800 Presidents Street, Reston, VA 20190. This Proxy Statement and the enclosed proxy card are being mailed to all Stockholders entitled to vote at the Annual Meeting beginning on or about May 6, 2003.

The Company’s annual report to Stockholders for the fiscal year ended December 31, 2002 (the “Annual Report”) has been mailed concurrently with the mailing of the notice of the Annual Meeting and this Proxy Statement to all Stockholders entitled to notice of, and to vote at the Annual Meeting. The Annual Report is not incorporated into this Proxy Statement and is not considered proxy soliciting material.

The mailing address of the principal executive offices of the Company is 12015 Lee Jackson Highway, Fairfax, VA 22033-3300.

Voting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Stockholders (the “Notice of Annual Meeting”). Each proposal is described in more detail in this Proxy Statement. The Company has two classes of voting securities outstanding, its Class A common stock, $0.01 par value (the “Class A Common Stock”) and its Class B common stock, $0.01 par value (the “Class B Common Stock”). At the close of business on April 28, 2003, the record date for determination of Stockholders entitled to notice of and to vote at the Annual Meeting (the “Record Date”), 16,288,254 shares of Class A Common Stock and 15,631,004 shares of Class B Common Stock totaling 31,919,258 shares of the Company’s Common Stock were issued and outstanding. Each Stockholder of Class A Common Stock is entitled to one (1) vote for each share of Common Stock held by such Stockholder on the Record Date. Each Stockholder of Class B Common Stock is entitled to ten (10) votes for each share of Common Stock held by such Stockholder on the Record Date. Stockholders may not cumulate votes in the election of directors.

As of the Record Date, Directors and Executive Officers of the Company may be deemed to be beneficial owners of an aggregate of 15,845,922 shares of Class A and Class B Common Stock (not including shares of Class A and Class B Common Stock issuable upon exercise of outstanding options and warrants), constituting approximately 49.64% of the shares of Common Stock outstanding and entitled to vote at the Annual Meeting and 90.69% of the voting control of Common Stock outstanding and entitled to vote at the Annual Meeting. Such
Directors and Executive Officers have indicated to the Company that each person intends to vote or direct the vote of all shares of Common Stock held or owned by such person, or over which such person has voting control, in favor of all of the proposals described herein. Nonetheless, the approval of the proposals is not assured. See “Security Ownership of Certain Beneficial Owners and Management”.

The following outlines the vote required to approve each proposal set forth in this Proxy Statement:

• Proposal 1, to elect nine (9) Director(s), requires approval by a plurality of the votes cast by holders of Common Stock present in person or by Proxy at the Annual Meeting. This means that each of the nine (9) nominees receiving the highest number of “For” votes will be elected as Directors. Accordingly one or all of the nominees may receive less than a majority of the votes, but will be elected by a plurality of the votes cast by the Stockholders.

• Proposal 2, to ratify the selection of Deloitte & Touche LLP as independent auditors of the Company for the fiscal year ending December 31, 2003, requires approval by at least a majority of the votes cast by holders of Common Stock present in person or by Proxy at the Annual Meeting.

The Board of Directors recommends a vote “FOR” each proposal.

Shares cannot be voted at the meeting unless the owner is present in person or by proxy. Shares represented by proxy will be voted in accordance with your instructions. You may specify your choices by marking the appropriate box on the proxy card. For Proposal 1, you may vote (i) “FOR ALL NOMINEES,” or (ii) “WITHHOLD AUTHORITY TO VOTE FOR ALL NOMINEES”. For Proposal 2, you may vote (i) “FOR,” (ii) “AGAINST” or (iii) “ABSTAIN”. If you submit your proxy without voting instructions your shares will be counted as a vote “FOR ALL NOMINEES” for Directors in Proposal 1 and “FOR” Proposal 2. An abstention or withholding authority to vote will be counted as present for determining whether the quorum requirement is satisfied. With respect to the required vote on each of the proposals, abstentions will be treated as shares present and entitled to vote, and for purposes of determining the outcome of the vote on each proposal, have the same effect as a vote against the proposal. A broker “non-vote” occurs when a nominee holding shares for a beneficial holder does not have discretionary voting power and does not receive voting instructions from the beneficial owner. Broker “non-votes” on a particular proposal will not be treated as shares present and entitled to vote on the proposal.

Revocability of Proxies

Any stockholder executing a proxy pursuant to this solicitation may revoke it at any time prior to its exercise by delivering written notice of such revocation to the Secretary of the Company before the Annual Meeting or by properly executing and delivering a proxy bearing a later date. Proxies may also be revoked by any stockholder present at the Annual Meeting who elects to vote his, her or its shares in person.

If a choice as to the matters coming before the Annual Meeting has been specified by a stockholder on the proxy, the shares will be voted accordingly. If no choice is specified on the returned proxy, the shares will be voted in favor of the approval of the proposals described in the Notice of Annual Meeting and in this Proxy Statement. All votes will be tabulated by the inspector of elections appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Solicitation

The cost of soliciting proxies will be paid entirely by the Company and may include reimbursement paid to brokerage firms and others for their expense in forwarding solicitation materials as well as the expense of preparing, assembling, photocopying and mailing this Proxy Statement. Solicitation will be made primarily through the use of the mail; however, regular employees of the Company may, without additional remuneration, solicit proxies personally by telephone or telegram or other means. The Company has engaged Georgeson Shareholder Communications, Inc. for the purpose of assisting in the solicitation of proxies. The Company will pay Georgeson Shareholder Communications Inc. a fee of $6,500, plus expenses for these services. The Company will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out of pocket expenses for forwarding proxy and solicitation materials to beneficial owners of the Company’s Common Stock.
The Board of Directors of the Company (the “Board”) currently has nine (9) members whose terms expire at the Annual Meeting (in each case, subject to the election and qualification of their successors or their earlier death, resignation or removal). Eight (8) of the nine (9) Directors are standing for reelection. Mr. Vaughan has decided not to run for reelection due to a medical disability. The Board has nominated Ray A. Ranelli for election at the Annual Meeting to fill Mr. Vaughan’s vacant board seat. However, in the event Mr. Ranelli is elected at the Annual Meeting, he will not be able to commence Board service until after July 7, 2003. All nominees have consented to being named in this Proxy Statement and to serve if elected.

If any nominee is unable to be a candidate when the election takes place, the shares represented by valid proxies will be voted in favor of such person or persons as shall be designated by the Board. The Board does not currently anticipate that any nominee will be unable to be a candidate for election. Except for Mr. Ranelli, each nominee is currently a Director of the Company.

In accordance with the terms of the Company’s Second Amended and Restated Certificate of Incorporation and Amended and Restated By-laws, the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy and entitled to vote on the election of Directors at the Annual Meeting is required to elect the Directors.

Under the Company’s Amended and Restated By-Laws, the Board has the authority to fill vacancies on the Board, including vacancies created by an increase in the number of Directors or by the resignation of a Director. Any nominee so elected and appointed by the Board would hold office for the remainder of the term of office of all Directors, which expires at the 2004 Annual Meeting of Stockholders, and until his or her successor has been elected and duly qualified.

SECURITY OWNERSHIP
OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Principal Stockholders

The following table sets forth certain information known to the Company regarding the beneficial ownership of the Company’s Common Stock as of April 28, 2003 by:

- each person or group known by the Company to own beneficially more than 5% of any class of the Company’s outstanding Common Stock;
- each Executive Officer named in the Summary Compensation Table appearing elsewhere in this Proxy Statement;
- each Director and director nominee; and
- all Directors, and Executive Officers as a group.

The Company has determined beneficial ownership in accordance with the rules of the Securities and Exchange Commission. Unless otherwise indicated, the persons included in the table have sole voting and investment power with respect to all shares beneficially owned. In addition, because Class B Common Stock may be voluntarily converted into Class A Common Stock on a share-for-share basis, each share of Class B Common Stock also represents beneficial ownership of a share of Class A Common Stock. However, for purposes of this presentation, share amounts are presented based upon outstanding shares without regard to convertibility, except as specifically noted otherwise.

(1) The per share exercise price is the fair market value of the Company’s Common Stock on the date of grant. The options set forth above vest over three (3) years with 1/3 of the total grant vesting on each of the first three (3) anniversary’s of the grant date and expire 10 years after the grant date subject to earlier termination in the event of termination of service.

(2) Potential Realizable Value assumes that the common stock appreciates at the indicated annual rate (compounded annually) from the grant date until the expiration of the option term and is calculated based on the rules promulgated by the SEC. Potential Realizable Value does not represent the Company’s estimate of future stock price performance. The Potential Realizable Value at 5% and 10% appreciation is calculated by assuming that the estimated fair market value on the date of grant appreciates at the indicated rate for the entire term of the option and that the option is exercised at the exercise price and sold on the last day of its term at the appreciated price.

All four (4) of the Audit Committee members are independent and financially literate as determined by the Board under applicable Securities and Exchange Commission and National Association of Securities Dealers standards. In addition, the Board has determined that Mr. Harlan, who serves as the Audit Committee’s Chairman, is an “audit committee financial expert” as defined under new SEC regulations and is independent of the management of the Company.

As a Committee, we have reviewed and discussed with management and the Company’s independent auditors for the year 2002, Deloitte & Touche LLP, the Company’s audited consolidated financial statements for the year ended December 31, 2002. The Committee has also discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as currently in effect.

In addition, the Committee discussed with Deloitte & Touche LLP its independence from the Company and its management, including the matters in the written disclosures received from Deloitte & Touche LLP as required by the Independence Standards Board Standard No. 1, as currently in effect. Further, we considered the nature and scope of the non-audit services provided by Deloitte & Touche LLP to the Company and we considered the compatibility of these services with the auditor’s independence. We have concluded that Deloitte & Touche LLP is independent from the Company and its management.

Based upon our reviews and discussions referred to above, we recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

The Audit Committee Charter provides that one duty of the Audit Committee is to provide advice to the Board of Directors in selecting, evaluating and replacing the independent auditors. In performing that duty, the Audit Committee evaluated the performance of Deloitte & Touche LLP and considered if Deloitte & Touche LLP or some other auditing firm could best serve as the Company’s independent auditors for 2003. Consequently, the Audit Committee recommended that the Board of Directors appoint Deloitte & Touche LLP as the Company’s independent auditors for 2003. The Board of Directors agreed with this recommendation and, accordingly, appointed Deloitte & Touche LLP as the Company’s independent auditors for 2003, subject to ratification as set forth in Proposal 2 of this Proxy Statement.

THE FOREGOING AUDIT COMMITTEE REPORT SHALL NOT BE DEEMED TO BE “SOLICITING MATERIAL” OR TO BE “FILED” WITH THE SECURITIES AND EXCHANGE COMMISSION, NOR SHALL SUCH INFORMATION BE INCORPORATED BY REFERENCE INTO ANY PAST OR FUTURE FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, EXCEPT TO THE EXTENT THE COMPANY SPECIFICALLY INCORPORATES IT BY REFERENCE INTO ANY SUCH FILING.
The Compensation Committee of the Board of Directors advises the Chief Executive Officer and the Board of Directors on matters of the Company’s compensation philosophy and the compensation of Executive Officers and other individuals compensated by the Company. The Compensation Committee is also responsible for the administration of the Company’s stock option plans under which option grants and direct stock issuances may be made to Executive Officers.

**General Compensation Policy.** The fundamental policy of the Compensation Committee is to provide the Company’s Executive Officers with competitive compensation opportunities based upon their contribution to the development and financial success of the Company and their personal performance. It is the Compensation Committee’s objective to have a portion of each Executive Officer’s compensation contingent upon the Company’s performance as well as upon such Executive Officer’s own level of performance. Accordingly, the compensation package for each Executive Officer is comprised of three elements: (i) base salary, (ii) incentive bonus and (iii) long-term stock-based incentive awards which strengthen the mutuality of interests between the Executive Officers and the Company’s Stockholders.

**Factors.** The principal factors which the Compensation Committee considered with respect to each Executive Officer’s compensation package for fiscal year 2002 are summarized below. The Compensation Committee may, however, in its discretion apply entirely different factors in advising the Chief Executive Officer and the Board of Directors with respect to executive compensation for future years.

**Base Salary.** The suggested base salary for each Executive Officer is determined on the basis of the following factors: experience, personal performance, the salary levels in effect for comparable positions within and without the industry and internal base salary comparability considerations. The weight given to each of these factors differs from individual to individual, as the Compensation Committee deems appropriate.

**Incentive Bonus.** The Incentive Bonus is a bonus opportunity offered to an Executive Officer, payable in cash or grants of stock options, based on satisfaction of certain agreed upon performance criteria. An Executive Officer’s performance is measured individually and in the aggregate. The Executive must positively contribute to the Company’s three objective growth criteria: the total sales target for the Company, earnings before interest and tax(es) (EBIT) for the Company and diluted earnings per share for the Company. Individually and on a group level, he/she will be measured using two objective criteria; the total sales target for his/her group and EBIT for his/her group. On an annual basis, the Company assesses these criteria using a total weighted value analysis against the pre-established targets to compute any Incentive Bonus earned by an Executive Officer.

**Long-Term Incentive Compensation.** Long-term incentives are provided through grants of stock options. The grants are designed to align the interests of each Executive Officer with those of the Stockholders and provide each individual with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the Company. Each option generally becomes exercisable in annual installments over a three year period, contingent upon the Executive Officer’s continued employment with the Company. Accordingly, the option grant will provide a return to the Executive Officer only if the Executive Officer remains employed by the Company during the vesting period, and then only if the market price of the underlying shares appreciates. The number of shares subject to each option grant is set at a level intended to create a meaningful opportunity for stock ownership based on the Executive Officer’s current position with the Company, the base salary associated with that position, the size of comparable awards made to individuals in similar positions within the industry, the individual’s potential for increased responsibility and promotion over the option term and the individual’s personal performance in recent periods. The Compensation Committee also considers the number of unvested options held by the Executive Officer in order to maintain an appropriate level of equity incentive for that individual. However, the Compensation Committee does not adhere to any specific guidelines as to the
CEO Compensation. The 2002 compensation of the Company’s Chairman of the Board, Chief Executive Officer and President, Mr. George J. Pedersen was determined according to the terms of a Retention Agreement which provides for Mr. Pedersen’s employment at-will, with an annual salary for 2002 of $1,000,000. Mr. Pedersen will continue to receive contributions to qualified and non-qualified retirement plans, insurance programs and perquisites on the same terms as previously provided, including items such as the lease of an executive type of vehicle for business and personal use, the portion of an employee’s time spent on non-corporate matters on behalf of Mr. Pedersen (including attending to chauffeur/valet services and other assistance as required from time to time) and reimbursement of certain cell phone and home telephone/fax services, but he is not eligible to receive stock option grants in 2002 or a cash bonus for services performed during 2002.

The following shall constitute the Audit Committee Charter (the “Charter”) of the Board of Directors of the Corporation:

I. ORGANIZATION

There shall be constituted a standing committee of the Board of Directors of the Corporation (the “Board”) to be known as the audit committee (the “Audit Committee”).

II. COMPOSITION AND SELECTION

The Audit Committee shall be comprised of three or more Directors. Each of the members of the Audit Committee shall meet the independence and experience requirements of the National Association of Securities Dealers, Inc. (“NASDAQ”) and the Securities and Exchange Commission (“SEC”) as then in effect. To maintain the independence of the Audit Committee, the Corporation shall only compensate members of the Audit Committee for their service with Director’s fees.

All members of the Audit Committee shall have a requisite working familiarity with basic finance and accounting practices in compliance with the rules of the NASDAQ and the SEC.

At least one member of the Committee must be an “audit committee financial expert”, as such term is then defined by the Securities and Exchange Commission.

No member of the Audit Committee may serve on the audit committees of more than three (3) public companies. If an Audit Committee member simultaneously serves on the audit committee of more than three (3) public companies, the Board must determine that such simultaneous service would not impair the ability of such member to effectively serve on the Corporation’s Audit Committee.

The members of the Audit Committee shall be appointed by the Board, at the Board’s annual meeting, and may be removed by the Board. The members of the Audit Committee shall serve for one year or until their successors are duly elected and qualified. Unless a Chairman is elected by the full Board, the members of the Audit Committee shall designate a Chairman by majority vote of the full Audit Committee membership.

The duties and responsibilities of Audit Committee members contained herein shall be in addition to those duties otherwise required for members of the Board.

III. STATEMENT OF PURPOSE

The primary function of the Audit Committee shall be to assist the Board in discharging its oversight responsibilities relating to the accounting, reporting, and financial practices of the Corporation and its subsidiaries by monitoring (1) these practices, generally; (2) the integrity of the financial statements and other financial information provided by the Corporation to any governmental body or the public; (3) the Corporation’s compliance with legal and regulatory requirements; (4) the independent auditor’s qualifications and independence; and (5) the performance of the Corporation’s independent auditors and internal audit functions.
The Audit Committee shall prepare the report of the Committee required by the rules of the Securities and Exchange Commission to be included in the Corporation’s annual proxy statement.

IV. COMMITTEE OBJECTIVES

The Audit Committee’s primary objectives include providing an independent, direct and open avenue of communication among the Corporation’s independent accountants, management, internal auditing department, and the Board; serving as an independent and objective party to review the Corporation’s financial reporting processes and internal control systems; overseeing with management the reliability and integrity of the Corporation’s accounting policies and financial reporting and disclosure practices; reviewing and considering the work of the Corporation’s independent accountants and internal auditing department; reviewing the adequacy of the internal audit department’s staffing and the qualifications of its personnel; and reviewing whether available technology is being used to maximize the efficiency and effectiveness of the internal audit function.

V. COMMITTEE AUTHORITY AND RESPONSIBILITIES

The Audit Committee shall have the sole authority to appoint or replace (subject, if applicable, to shareholder ratification), determine funding for and oversee the independent auditor, and shall pre-approve all audit engagement fees and terms and all significant non-audit engagements with the independent auditor. The independent auditor shall be accountable to the Audit Committee in its capacity as a committee of the Board. The Audit Committee expects that the independent auditor will communicate any concerns to management as well as the Audit Committee. The Audit Committee shall consult with management but shall not delegate these responsibilities. The Audit Committee may form subcommittees and delegate authority to subcommittees when appropriate. Any such subcommittee must be composed entirely of Directors who satisfy the independence requirements of the NASD and SEC as then in effect.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain and determine funding for independent counsel and special accounting or other consultants to advise the Committee. The Audit Committee shall have the authority to conduct or authorize investigations into any matters within its scope of responsibilities, contact and request information from any of the Company’s advisors or other third parties, and shall have the authority to retain outside advisors to assist the Committee in the conduct of any investigation.

The Audit Committee shall make regular reports to the Board, and shall review with the Board any issues that arise with respect to the quality or integrity of the Corporation’s financial statements, the Corporation’s compliance with legal or regulatory requirements, the performance and independence of the Corporation’s independent auditors, or the performance of the internal audit function.
